

ESPORTS PROGRAMMING: ORGANIZING AND MANAGING ESPORTS TOURNAMENTS

PROGRAM OVERVIEW

In this workshop, participants will learn the ins and outs of organizing and managing eSports tournaments, gaining valuable skills in event planning, team coordination, and tournament logistics.

PROGRAM HIGHLIGHTS

- Understanding the fundamentals of eSports and tournament structures
- Hands-on experience with tournament organization tools and platforms
- Collaboration with peers to plan and execute eSports events
- Guidance from experienced instructors with a passion for eSports and event management

PROGRAM DETAILS

- **Duration:** 6 weeks
- **Schedule:** 2 Days a week, 2.5 hours per day
- **Age Group:** 8-17
- **Prerequisites:** Basic computer skills; familiarity with eSports concepts helpful but not required
- **Location:** eCode Learning Center
- **Format:** Each session lasts 1.5 hours, featuring instruction, group activities, and practical event planning exercises

PROGRAM OBJECTIVES

- Equip participants with the skills and knowledge necessary to organize successful eSports tournaments
- Develop proficiency in using tournament management tools and platforms
- Foster teamwork, leadership, and problem-solving abilities through hands-on tournament planning activities
- Empower participants to take an active role in the eSports community and cultivate a passion for event management.
