

AFTER SCHOOL GAME CLUB (ESPORTS)

PROGRAM OVERVIEW

The After School Game Club (eSports) provides an engaging and inclusive environment for students aged 10 to 14 to explore the world of competitive gaming. This school-year program offers a platform for students to connect, compete, and develop valuable skills through the medium of eSports.

PROGRAM HIGHLIGHTS

- **Competitive Gaming:** Students will have the opportunity to participate in organized eSports competitions, including popular titles such as League of Legends, Rocket League, and Fortnite.
- **Skill Development:** Through regular gameplay and coaching sessions, participants will enhance their strategic thinking, teamwork, communication, and problem-solving abilities.
- **Social Interaction:** The program fosters a sense of community and camaraderie among participants, promoting social interaction and friendship building through shared interests in gaming.
- **Professional Guidance:** Led by experienced coaches and mentors, the program provides expert guidance and support to help students improve their gaming skills and reach their full potential.
- **Fun and Excitement:** From thrilling matches to friendly rivalries, students will experience the excitement and adrenaline rush of competitive gaming in a safe and supportive environment.

PROGRAM DETAILS

- **Duration:** School year program (September to June)
- **Schedule:** 3 days a week, 2 hours per day
- **Age Group:** 10-14
- **Location:** eCode Learning Center
- **Class Size:** Limited to ensure personalized attention and optimal gameplay experience

PROGRAM OBJECTIVES

- Provide students with an opportunity to engage in organized eSports competitions and develop their gaming skills in a structured environment.
- Foster teamwork, communication, and strategic thinking skills through collaborative gameplay and team-based competitions.
- Promote a positive gaming culture that emphasizes sportsmanship, fair play, and respect for fellow gamers.
- Encourage social interaction and friendship building among students who share a passion for gaming.
- Create a supportive and inclusive community where students can explore their interests in eSports and gaming while having fun and building lifelong skills.
